

5th Grade Trip Information

We are so excited about this year's 5th grade trip to **Frost Valley**, which is a campground in upstate NY that is run by the YMCA and specializes in school excursions.

When: Thursday, May 23 - Friday, May 24th. Buses will be leaving early Thursday morning and returning Friday evening.

Why: To celebrate all of the good times we had at P.S. 261 with our friends! On this last adventure together we will be in the wilderness studying the sciences and creating new memories! This program will be integrated into the curriculum and support the ongoing studies throughout the year.

Please note: Students and Chaperones will be staying in cabins, not tents. For further information regarding Frost Valley, please check out <http://www.frostvalley.org/>
